

## REMODELING? EXPANDING? OR NEW LOCATION?

Your store needs  
a bulk foods department.

Whether you're remodeling,  
expanding, or opening another  
location, Trade Fixtures can help  
you every step of the way!  
Utilizing our FREE design services,  
we can help you maximize  
your store's floor space.

30+ Years of creating  
beautiful, functional and  
affordable merchandising

Made in the USA.  
Sold Worldwide!

Bulk Foods are clean, fun  
and saves money and resources! In fact, 60% of  
shoppers said they would shop elsewhere if the  
bulk department was removed from their store!

### Bulk Merchandising

- Updates, enhances & beautifies your store's image
- Improves sales lift & profit margins 20-35% on average
- Maximizes floor space utilization with more SKU's per s.f.
- Uses functional, durable bins and handcrafted fixtures
- Is pocketbook and environmentally friendly
- Is easy to maintain, clean and shop
- Outsells similiarly packaged items 2 to 1 or more
- Creates a "store within a store" experience
- Complements your store's decor
